*Notes:

- Eligible thermostats include professionally installed Trane or American Standard Wi-Fi Smart Thermostats with the integrated Nexia Bridge: Models 824, 850 and 1050.
- The 724 and 950 (discontinued) Wi-Fi Thermostats can be controlled remotely with the Nexia mobile app or portal with no monthly fee, but they do not have an integrated Nexia Bridge to allow control of other smart devices. With these thermostats, a stand-alone Nexia Bridge is required to allow Nexia to also control lighting or other Z-Wave devices with the applicable monthly fee.
